***Local Community Residents in Need***

**November, 2009 – Glendale Heights Campus**

*On November 14, 2009, our Glendale Heights students were invited to participate, for the 2nd time, in an annual event helping the needy—homeless and/or under-resourced—in the local community. The event was sponsored by Trinity Lutheran Church in Roselle. Our students participated by offering haircuts and styles to people that don't get enough TLC in their daily lives. It was a great experience for all involved!*
