

*Tricoci University provides TLC to . . .*

## *Dress for Success*

**June, 2010 – Peoria Campus**

*On Thursday, June 24th, students from our Peoria campus participated in the 2nd annual fundraising event for the Dress for Success organization. Dress for Success helps area women overcome personal hardships and obstacles, providing interview and employment attire, employment preparation and retention skills, and career development and support. They serve women referred by diverse non-profit organizations like homeless shelters, immigration services, domestic violence shelters, reentry programs, and job training programs.*

*Approximately 250 women attended, enjoying a fashion show, different vendors offering free samples/mini-services (including manicures by TUBC students!) and information on the Peoria area non-profit organizational services. Dress for Success had a very successful night and Tricoci University TLC was proud to support this underserved branch of our community!*
