

Tricoci University provides TLC to . . .

Local Community Residents in Need

November, 2010 – Glendale Heights Campus

In November, 2010, students from our Glendale Heights campus were invited to participate, for the 3rd time, in an annual event helping the most needy residents in the local community.

This great event is sponsored by Trinity Lutheran Church in Roselle. Each year the church provides a variety of services to homeless and/or under-resourced residents in the area, including dental and vision screening, food, clothes, blankets, and hair cuts.

With the help of TUBC students, the event was able to provide haircuts to over 100 grateful participants. The smiles from the guests were contagious to all, including our students!
