**January, 2011 – Glendale Heights Campus**

*In January, 2011 the Student Council from our Glendale Heights campus organized a winter clothing drive for clients of the DuPage County PADS organization.*

*For 25 years, DuPage PADS (Public Action to Deliver Shelter) has provided hope for people who are homeless in DuPage county, by offering an array of services that builds toward self-sufficiency and helps to stop the cycle of homelessness.*

*Students and staff were very generous with donations of coats, hats, gloves, scarves, snow pants, and snow boots for adults and children. During the very cold and snowy winter of 2011, many area residents will particularly enjoy the warm comforts our students provided.*
