W.I.N.G.S. (Women in Need of Growing Stronger)
January, 2011 – Libertyville Campus

In January, 2011 students and staff from our Libertyville campus participated in a donation program organized by W.I.N.G.S.

WINGS, which stands for Women in Need of Growing Stronger, is an organization which helps homeless and abused women and children by offering integrated services that meet their needs for shelter, education, guidance and support. WINGS has been in existence for over 25 years and has many residential locations in Chicago's north and northwest suburbs.

The campus donated 3 large boxes full of non-perishable food and other items for WINGS' clients. This was our second year of participating in this drive, and will do so in coming years, as well.
