Our Troops Serving Overseas

June, 2009 – Glendale Heights Campus

In June of 2009, our Glendale Heights campus rallied around one of our teachers, whose brother-in-law is serving in Iraq. Students and staff collected items to send to him and others serving in Iraq and Afghanistan. The troops' request list was filled with many things we all take for granted—snacks, coffee, games, etc. But at the top of the list was "letters," so in addition to sending food, drinks and other things, the campus sent a large "THANK YOU!" picture (see below), along with some personal notes of thanks.

Operation Support Our Troops
