

Tricoci University provides TLC to . . .

PARC 'n Bloom Fashion Show

March, 2010 – Peoria Campus

On Saturday, March 13th, students and staff from our Peoria Campus volunteered for a fundraising activity for PARC (People Advocating for Respect and Consideration of individuals with developmental disabilities). The TUBC group provided hair and make-up services for the PARC 'n Bloom 17th Annual Fashion Show.

The students did a great job preparing over 30 runway models for their big moment on stage. Models came from PARC's Early Intervention, Adult Day Services, and Community-based Residential Services, as well as from Peoria Notre Dame High School. The event was organized by The Pilot Club of Peoria, a service organization of local professionals. TUBC TLC's participation stems from the involvement of one of TUBC's alumni, Bettina Bohannan. Congrats to all involved!
