

*Tricoci University provides TLC to . . .  
Spectrum Youth and Family Services  
April, 2011 – Glendale Heights Campus*

*The students at Glendale Heights participated in a collection drive for prom dresses, sponsored by Spectrum Youth and Family Services in Schaumburg, culminating in a "Prom Gala" event on April 15, 2011.*

*The event enables young ladies in the northwest suburbs, who could not afford to purchase new formal clothing, to select from "gently used" items at no charge.*

*In addition to donating these dresses, TUBC Glendale Heights students will also perform up-do hairstyles for these ladies' big day!*
