Motorists urged to be careful with schools opening

With schools opening shortly, the Mundelein Police Department reminds motorists to be especially careful and watch for children on their way to and from school.

"It's up to us to look out for these students because some are not thinking about safety — especially those going to school for the first time," said Mundelein Police Chief Raymond Rose. "They're young and are too excited to be aware of traffic dangers to pedestrians."

Drivers should also be aware that they must stop and yield the right-of-way for a pedestrian in a

**Salon offering fan contest**

Starting Aug. 13 and running through Sept. 13, customers who visit Tricoci University of Beauty Culture's Libertyville campus for salon service can fill out a contest card explaining why they are Tricoci University's No. 1 fan.

**Condell receives accreditation award**

The Advocate Condell Medical Center cancer program has been granted the Three-Year Accreditation with Commendation by the American College of Surgeons, hospital officials announced.

The accreditation followed an on-site evaluation by a physician surveyor during which Advocate Condell demonstrated a level of compliance with one or more standards that represent the full scope of the cancer program. Those standards include cancer committee leadership, cancer data management, clinical services, research, quality improvement and community outreach.
