Say farewell to your big-time heating tools and overabundance of styling products; one of Fall 2011's biggest hair trends involves natural, loose, and easy hairstyles. Jen McGann, the director of cosmetology at Tricoci University of Beauty Culture, says that it's all about natural-looking texture with an organic quality for the upcoming season. Be sure to check out five of her top picks for stand-out hair trends to try now.

An advertisement for Princess Cruises. It features a scenic view of a cruise ship sailing on a blue body of water with snow-capped mountains in the background. The text reads "50 Essential Experiences The Travel Bucket List" and "Continue this adventure and discover more on our blog." The Princess Cruises logo is in the bottom right corner with the tagline "escape completely." A "Continue story" button is at the bottom left of the ad.
