M E N U of S E R V I C E S

All appointments are scheduled based on student availability.
Timing and available services may vary.

In order to provide the best possible experience to our clients and allow adequate time for services to be performed, we request that the following guidelines be observed in scheduling services:

- **Hair styling services, facials and pedicures-** appointments will begin no later than 1 hour before scheduled clinic closing.
- **Body treatments, nail enhancements, single process color and chemical services-** appointments will begin no later than 2 hours before scheduled clinic closing.
- **Multi-process color and chemical services-** appointments will begin no later than 3 hours before scheduled clinic closing.

Please Inquire with the Front Desk Receptionist for multiple service request availability.

For the safety of your child:

- All Children under the age of 10 must be supervised by an adult at all times.
- Children are prohibited from being in the Clinic and Nail Technology school areas unless they are receiving a service.
- Children are prohibited from entering the Esthetics School Area.
- Young children must be able to sit still in a booster chair for hair services. If the child is unable to do so the service will be terminated.
- Minors 17 years and younger must have a parent or guardian sign a client card authorizing the school to service them.

We ask that our clients please refrain from cell phone use while receiving services.

TRICOCI UNIVERSITY
OF BEAUTY CULTURE®

All services are performed by students under the supervision of a licensed instructor.

about T R I C O C I U N I V E R S I T Y

Mario Tricoci spent the first stage of his spectacular career "raising the bar" for upscale salons, creating the day spa concept in the Midwest. In a similar fashion, he founded Tricoci University in 2004 with the intent to redefine beauty education.

Mario's innovative approach to teaching prepares students to enter the industry as professionals.

Tricoci University offers programs of study in cosmetology, esthetics, nail technology and teacher training programs.
