**August, 2009 – Peoria Campus**

*The Peoria campus officially adopted a Military Troop (and their families), the 724<sup>th</sup> Transco Army Reserve group that deployed from Peoria, IL on August 6, 2009. Campus staff, students and alumni provided military haircuts during the troop's preparation before deployment. Going forward, the campus will provide the troop and their families special relaxation days, discount pricing and access to special events through the next year. The campus is honored to support these brave men and women—we call them "Troop Tricoci"!*
