

Tricoci University provides TLC to . . .

Chicago 5K Lung Run

**September, 2009 – Chicago NW & Peoria
Campuses' Nails Programs**

On September 12, 2009, Tricoci TLC, led by the Chicago NW campus Nails Program and supported by the Peoria campus Nails Program, provided TLC to the Chicago 5K Lung Run. In a record turnout, more than 1500 runners, lung cancer survivors, and representatives of leading Chicago hospitals participated in the event. TUBC students pampered runners with free manicures and pedicures, and enjoyed a beautiful fall day in the process!
